

3

The First Annual Catalogue
of the North Missouri Normal
School was next published.
Professor Baldwin announced
his intention to establish a
Normal at Kirksville by means
of circulars which were posted
in various places throughout
north-east Missouri and by
means of addresses by himself
and other members of the
faculty. As far as is known
none of the above mentioned cir-
culars are now in existence

W. P. Mason,

July 4th, 1904.
