# N O R T H E A S T N O T A B L E S

**Kenneth Fountain**, associate professor of science, will be a featured speaker at the "Invitational Symposium on Professional Issues in Chemical Education," April 26, in Philadelphia. Fountain will speak on "Concept Mapping: A Response to Value Added." The symposium is being held during the 64th Annual Meeting of The American Institute of Chemists.

**Charles Frost**, associate professor of justice systems, presented a paper titled "Possible Negative Impacts of Economic Modernization Perceived by the Public Security Apparatus in the People's Republic of China" at a recent meeting of the American Academy of Criminal Justice Sciences in St. Louis.

**Ted Hilgefjord**, Criminal Justice instructor, presented a paper titled "Juvenile Crime in the Rural Midwest" at a recent meeting of the American Academy of Criminal Justice Sciences in St. Louis.

**Keith Hedges**, an '82 NMSU Criminal Justice graduate and currently a graduate student at Southern Illinois University, co-authored a paper titled "An Assessment of the Validity and Utility of Pre-employment Polygraph Screening," which he presented at the American Academy of Criminal Sciences in St. Louis.

**NMSU's Student Council for Exceptional Children (SCEC)** chapter 259, has earned the CEC Award for Excellence. Chapter 259 along with Illinois State University Chapter 648, were the only student units out of 12 CEC units earning the 1985-86 Award for Excellence.

"**The Capon Theory of the Cuckold's Horns**," co-authored by Robert Graber, assistant professor of anthropology, and Gregory Richter, assistant professor of foreign language, appeared in a recent issue of "The Journal of American Folklore."

**Kenneth Kehner**, a senior piano performance major, recently won first prize in the Jefferson City Symphony Piano Concerto Competition. Kehner will perform the Prokofiev First Piano Concerto with the Jefferson City Symphony April 28. He studies piano with Janice Saffir, assistant professor of piano.

**NMSU's School Outreach Service Program**, Jazz program and S.O.S. Combo were featured in a recent issue of the "National Association of Jazz Educators Journal." The S.O.S. Combo performed at the NAJE National Convention in Atlanta, Ga., in January. The S.O.S. program was developed by Willie Thomas, jazz artist-in-residence in the Division of Fine Arts.

Publicity pieces containing the logo "Jam With the Greeks" won third place for publicity campaigns in the National Association for Campus Activities annual graphics competition. Senior **Dan Reiff** designed all of the publicity pieces. Third place award was won by junior **Jay Smith** for a poster he designed for the SAB excursion to the dinner theater "Tiffany's Attic." Smith's award was for a one-color poster.

**Roy L. Tanner**, associate professor of Spanish, has written the article "La Ironia en Palma," which will appear in "Ricardo Palma Tradiciones Peruanas," to be published in Paris this year. In December, Tanner presided at the meeting of the Division Executive Committee for Latin American Literature to 1900. And he presented the paper "Ricardo Palma: Magno Propulsor de la Cultura Peruana" at a symposium on Spanish romanticism at Brigham Young University, Feb. 12.

**Charles Boughton**, assistant professor of business administration, had papers published, accepted for publication and presented. His article "CPA's, Internal Auditors and EDP: A Strategy For Maximizing Corporate Audit Resources" was published in a recent issue of "Internal Auditor," the national publication of the Institute of Internal Auditors. "Combining the Efforts of Internal and Independent Auditors" appeared in the Theory and Practice section of the January 1987 issue of "The Woman CPA," the national publication of the Women's Society of Certified Public Accountants. His monograph "Making Computer Resources Available For Auditors" was accepted for publication in the National Association of Accountant's "Management Accounting Digest." And his paper "Making Computer Resources Available to Auditors: Management's Role" will be presented at the 14th Annual Information Processing Expo and Conference, sponsored by the Data Processing Management Association, in Omaha, Neb., April 22.

"**Man Walking; Human Being**," a painting by Jenny Morlan, temporary assistant professor of art, has recently been accepted into "New American Talent 1987," a major show sponsored by the Texas Fine Arts Association. The show opens in Austin, Texas, at the Laguna Gloria Art Museum, May 3, and will travel to other museums before being disassembled. Morlan's painting was chosen from more than 5,700 works.

"**Minimal Sets in Recurrent Discrete Flows**," a paper by Ronald A. Knight, professor of mathematics, will appear in the May issue of "Proceedings of the American Mathematical Society."

A paper by **Ladelle McWhorter**, assistant professor of philosophy, titled "Thinking Through the Metaphysics of the Real" was presented at the spring meeting of the Society for Women in Philosophy, March 7.

**Jim Thomas**, associate professor of language and literature, was recently notified that his poems "Float Time" and "Shadow" will be published in "The Archer;" "Falling Water" will be published in "Huhbbub;" "Fall Murrain" will be published in "Kansas Quarterly" and "Judge" will be published in "The Old Red Kimono." "New Mexico Humanities Review" has accepted "Hunter" and "Winternap." Ben Bannan, associate professor of English and editor of "Paintbrush," will publish three of Thomas' poems: "Fireman," "Loner" and "Thirteen Wheels."

**Marlow Ediger**, professor of education, has had the following manuscripts accepted for publication: "Stay Current and Updated, School Administrators," in "Comment on Education," which is published in Canada for school administrators; "What Knowledge is Most Worth?," in "Thrust," a publication for teachers and principals; "A Guide to the Teaching of Language Arts," in "Resources in Education," a professional publication for teachers; "The Psychology of Learning and the Mathematics Curriculum," in "Progress in Education," published in India; and "The Basics in the Reading Curriculum," in "Resources in Education." Ediger was also a speaker on "The Old Order Amish" at the National Social Science Association Convention in St. Louis, on March 20.
