# The Commencement Ceremony

## The University

---

One hundred twenty-five years ago, Joseph Baldwin returned to Missouri from Indiana, looking for a location to open a school to educate teachers. On September 2, 1867, Baldwin opened the North Missouri Normal School and Commercial College in Kirksville. In 1870, Baldwin's school became the First District Normal School of Missouri, the first in the state's new normal school system, dedicated to the education of teachers for the public schools.

At the close of the 1869-70 academic year, the Normal School graduated its first class of 15 men. The Commencement program was held in the auditorium of the Cumberland Academy building on Friday, June 24, 1870. President Joseph Baldwin preached the sermon and T.A. Parker, state superintendent of schools, delivered the address.

Today, Missouri's statewide public liberal arts and sciences university celebrates its 122nd Spring Commencement with more than 900 men and women graduating with bachelor's, master's and specialist's degrees. Although the people, the campus, and the mission of Northeast Missouri State University have changed during the last 122 years, the traditions of the commencement ceremony have remained intact.

## The Dress

---

The academic costume worn today is the dress of the medieval secular clergy with a few alterations introduced by 16th century Protestant reformers. The intellectual revival of the 12th century gave impetus to the founding of the European universities. Students in these institutions were clerks; thus, they wore the dress of the secular clergy. In the 16th century, Protestant reformers, who associated academic habits with popery, adopted more civilian gowns.

The oldest article of academic wear was the robe, which was a loose gown. The habit, a tunic with short, wide sleeves, was worn over the robe. A hood lined with fur or inexpensive skins could be gathered around the neck or pulled up on the head as a turban. Finally, there were three kinds of caps worn: the round cap, reserved for doctoral dignity; a round cap with strings tied under the chin, worn by jurists; and the square cap. Universities such as Oxford made the square cap official; however, secular universities adopted the Tudor bonnet still worn by doctors of law, medicine and music.

American academic costume was not established until 1895. It consists of three types of gowns, three styles of hoods and two kinds of cap tassels. The bachelor's gown has long, pointed open sleeves with no ornamentation. The master's gown has even longer sleeves, which are closed at the bottom but feature openings about halfway down for the hands. The doctor's gown has full-length lapels of velvet and bell-shaped sleeves with three horizontal velvet bars. The color of caps and gowns is usually black; however, some universities feature doctoral gowns of distinctive colors, such as Harvard's crimson and Yale's deep blue. Many schools outside the United States have also adopted colorful gowns.

The doctor's hood is the longest and fullest among the degrees. The major field of study can be determined from the velvet facing on the hood according to the following color scheme: white, the arts; gold-yellow, science; purple, law; apricot, nursing; green, medicine; sapphire, business administration; lemon, librarianship; scarlet, theology; dark blue, doctors of philosophy.

The hood is lined with silk in the colors of the institution which granted the degree. Northeast's master's

graduates, for example, wear a purple and white-lined hood. The faculty at Northeast Missouri State University represent doctoral-granting institutions around the world. A few of their hood colors are the blue and white of Duke, the orange and black of Princeton, the crimson of Harvard, and the scarlet of Oxford.

The candidates for graduation wear black caps to which are attached tassels of colors illustrative of their degrees:

White: *Bachelor of Arts, Master of Arts, Master of Science, Master of Accountancy, Master of Arts in Education*

Yellow-Gold: *Bachelor of Science*

Brown: *Bachelor of Fine Arts*

Pink: *Bachelor of Music*

Apricot: *Bachelor of Science in Nursing*

Blue: *Specialist in Education*

The gold-tasseled cords worn by some of the undergraduate degree candidates signify the designation of "honor graduate." There are three levels of honor based on cumulative grade point average: cum laude, 3.50-3.74; magna cum laude, 3.75-3.89; summa cum laude, 3.90-4.00.

The academic procession is led by the University Color Guards, followed directly by the faculty marshal. The marshal carries the University mace, which symbolizes the academic corporate body of scholars possessing its own jurisdiction and its own legally constituted authority. The mace is decorated with purple and white tassels and ribbons, and is topped with the University seal.

Following the marshal are the platform guests dressed in doctoral robes with hoods featuring the purple and white colors of the University. They are followed by the University faculty who wear the academic dress of their respective doctoral-granting institutions. The other faculty marshal leads the major portion of the procession, comprised of the degree candidates assembled according to the degree being granted.

Junior marshals appear throughout the procession dressed in white robes and caps. They are University students who help form the procession and seat the commencement participants.

The academic procession begins at Baldwin Hall and moves through the campus quadrangle. The procession halts in front of Kirk Memorial where the valedictorian of the graduating class lays a wreath at the foot of the statue of Joseph Baldwin, founder of the University. The procession marches south along the east side of the quadrangle, turning east in front of the Kirk Building to Mulanix Street, then south on Mulanix Street to Patterson Street. It proceeds between Fair Apartments and Grim Hall, in front of Pershing Building and around the western portion of the track in Stokes Stadium.
