

BULLETIN

OF THE

FIRST DISTRICT NORMAL SCHOOL

KIRKSVILLE, MISSOURI

ANNOUNCING

STARS ON THE SERVICE FLAG

VOLUME XVIII

MAY, 1918

NUMBER 5

Entered as second class mail matter April 29, 1915, at the post office at Kirksville, Missouri,
under the Act of Congress of August 24, 1912.

FOREWORD

Altho this bulletin is designated as the May number, we are printing it about the middle of June. It contains the names of about 335 former students of this institution. No doubt a large number of the addresses are incorrect, and most of the others are changing from day to day and will continue to change during the war. The material for this bulletin has been collected and the bulletin prepared by Prof. W. J. Bray, with the assistance of other members of the faculty and students.

It is the special desire of the administration and faculty of this Normal School that we keep up with the boys as nearly as possible and send them from week to week the Normal School Index. Moreover, we desire to keep writing letters to them, whether the letters reach them or not. It is our hope that the boys in army, navy, and aviation fields and other arms of war service write to us as often as their time and opportunity will permit. Our hearts are with the boys. We hope they will write to the President of K. S. N. S. and to the faculty members, and we will write to them. We want to know and we want to give as accurately as possible the history of the part which K. S. N. S. boys are playing in this great war.

One thousand copies of this bulletin are being handed out to the one thousand and more students of the summer term now in attendance. We are asking the summer term students to give us, if they can, additional names of our men in service and to aid us in correcting errors found in this list.
