SENATOR RICHARD WEBSTER

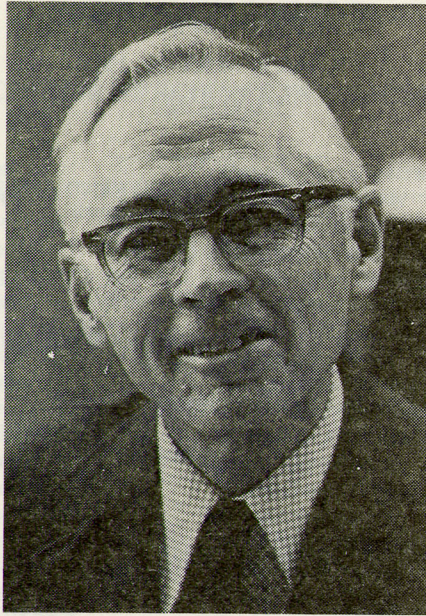

Senator Richard Webster is a native of Southwest Missouri, having been born in Carthage, which is still his home. He was educated in the public schools of Carthage, and is a graduate of the University of Missouri with a Juris Doctorate Degree. His education was interrupted during World War II, where he served as an operator of amphibious crafts in the South Pacific.

In 1948 he was elected to the Missouri House of Representatives, where he served for six years. In 1954, at the age of 31, he was elected as the youngest Speaker of the House in the history of the State of Missouri.

In 1962 he was elected to the Missouri State Senate, and will be the senior member of that body. He has served longer in the Missouri Senate than any member elected on the Republican ticket. His interests have been broad, having handled legislation which established a new state college in Southwest Missouri, the sheltered workshop program for retarded persons, diagnostic clinics for the developmentally disabled, and over a hundred other separate pieces of legislation. In recent years his primary efforts have been in the area of fiscal and administrative responsibility. As the senior member of the Senate Appropriations Committee he has exercised a strong hand in guaranteeing continued balanced budgets for the state.

He was recently selected in a poll of members of both parties in both the House and Senate as being the outstanding member of the Missouri Legislature.

He has been active in local religious and civic affairs, having served as Chairman of the Youth Recreation Program, the YMCA Board, the United Way, as a Deacon and Elder in the First Christian Church of Carthage, and as a member of the Planning Committee for North American Christian Conventions, in 1981, 1982 and 1983.

**WILLIAM O'DONNELL LEE**  
**1918-1983**

Northeast Missouri State University is pleased to announce the University's first endowed faculty chair in honor of William O'Donnell Lee, former president of the Board of Regents.

The chair, to be known as the William O'Donnell Lee Chair of Asian Studies, is being funded through a gift to the NMSU Development Fund from Mr. Lee's widow, Dr. Jeanne Stephens Lee, and their three children, William Stephens, James Jay and Lucienne Alma.

Mr. Lee, a longtime member of the Moberly law firm of Hunter, Chamier, Lee, and Elsberry served on the Board of Regents from 1971-1977. He was president of the Board his last two years in office. He died September 22, 1983.

Mr. Lee was born in Richmond, Virginia in 1918. He received his bachelor's degree from Yale University (Phi Beta Kappa) and graduated from the School of Law there. He taught at the University of Missouri-Columbia Law School and served on the Board of Trustees at Columbia College and the Missouri School of Religion at UMC.

He was active in community affairs in Moberly, serving as a member of the Masons and the Rotary Club. He was an elder at Moberly's Central Christian Church.

' ' O L D M I S S O U ' '

“Old Missou” and “Old Missouri”  
Our hearts the school has won  
Fondly cling we to the mem’ry  
Of old “Missouri’s Son.”  
Gladly thee our hearts we tender  
By the dim and flick’ring light,  
Every lad a proud defender  
Of the Purple and the White.
