## Fulbright Grants Are Available

The Fulbright College Faculty Exchange Program offers grants in research and university lecturing abroad for professionals, retired faculty, and independent scholars.

The awards for 1990-91 include about 1,000 grants for periods ranging from three months to a full academic year. There are openings in more than 100 countries and, in many regions, the opportunity exists for multicountry research. For more information and applications, call or write Council for International Exchange of Scholars, 3400 International Drive, Suite M-500, Washington, D.C. 20008-3097. Telephone: 202/686-7866.

The 1990-91 competition for

Fulbright grants and other grants for graduate study abroad in academic fields or professional training in the creative and performing arts has officially opened. Fulbright grants are available to graduate students for study or research. Travel grants are available to selected countries to supplement maintenance awards from other sources that do not provide funds for international travel or to supplement the applicant's personal funds.

Applicants must be U.S. citizens at the time of application and hold a bachelor's degree or its equivalent by the beginning date of the grant. Creative and performing artists are not required to have a

bachelor's degree, but they must have four years of relevant training or study. All applicants are required to have sufficient proficiency in the language of the host country to carry out their proposed study or research.

Currently enrolled students should contact Terry Smith, dean of the colleges, in A/H 204 for brochures, application forms and further information. The deadline for the receipt of applications is Oct. 2, 1989. Both Fulbright Full and Travel Grant applications will be reviewed on campus prior to being forwarded for the Oct. 31, 1989 deadline.

## Host Families Needed for Japanese Students

The NMSU/Hosei University (Tokyo) Exchange Program is seeking families to share their homes and family lives for a weekend with a Japanese college student. These students will be at NMSU for three weeks studying English and American culture. The homestay will be during the weekend of Aug. 11-14, Friday night through

Monday morning. There is a small stipend per student to help defray the cost of food and other possible activities. If your family is interested or you know of other families who would be, please contact Ann McEndarfer at 665-2321 or leave a message in the Division of Language and Literature at 785-4481.

## Di Stefano Named Acting Head of Science Division

Maria Di Stefano, assistant professor of physics, has been appointed acting head of the Division of Science for the 1989-90 academic year. Di Stefano assumes the position of acting division head in the absence of Jack Magruder, acting dean of instruction.

The *Northeast Today* is published weekly on Mondays. Deadline for entries is 5 p.m. the Wednesday preceding Monday's publication. Entries should be submitted on the *Northeast Today* forms available in the Public Relations Office, A/H 202. All activities listed in the *Northeast Today* are open to the public.
