HONORABLE JERRY LITTON
UNITED STATES CONGRESSMAN FROM MISSOURI'S SIXTH DISTRICT

Jerry Litton, 35, (D-Mo.) was elected November 1972 to represent the Sixth District of Missouri in the 93rd Congress. He holds the seat vacated by retiring Congressman W. R. (Bill) Hull.

Congressman Litton was born in a three-room house near Lock Springs, Missouri on May 12, 1937. He is a 1961 graduate of the University of Missouri with a B.S. in Agriculture Journalism and a minor in Economics. While in high school and college, he worked part-time as a radio newscaster and newspaper farm editor. He was elected state president and later national secretary of the Future Farmers of America.

In college, Jerry Litton was the youngest person ever elected president of his fraternity, was named to Who's Who in American Colleges and Universities and to numerous leadership and scholarship honoraries. He was the youngest to be elected president of Performance Registry International (a world-wide cattle organization), the youngest and in the first group of twelve alumni selected for recognition by the University of Missouri, the youngest to receive the Citation of Merit from the Missouri College of Agriculture, the youngest named to the Governor's Advisory Council on Agriculture, and the youngest named to the Missouri State Council on Education. He was elected vice president of the University of Missouri student body when only a sophomore.

Litton and his father own and operate the 500-acre Litton Charolais Ranch near Chillicothe, Missouri. Their ranch and modern livestock techniques have attracted world-wide attention.

Litton and his wife, the former Sharon Summerville, have two children, Linda and Scott, ages 10 and 9.

“OLD MISSOU”

“Old Missou” and “Old Missouri”
Our hearts the school has won,
Fondly cling we to the mem’ry
Of “old Missouri’s Son.”
Gladly thee our hearts we tender
By the dim and flick’ring light,
Every lad a proud defender
Of the Purple and the White.
