"FANFARE AND PROCESSION" ELGAR
Mr. Dan Peterson, Conductor, NMSU Commencement Band

Irving Waldman, M.D., offers a unique perspective to graduating students at Northeast Missouri State University. Dr. Waldman's well-traveled road to success led him to the Midwest for a college education; East to his home state of New York for a medical degree; and South to pursue a career.

Born in Brooklyn, New York, Dr. Waldman studied at New York University in the Bronx for one year before completing his zoology degree at NMSU in 1954. At Northeast, he was a member of Blue Key honor fraternity, the Student Council, the Index staff, the tennis team and Sigma Tau Gamma social fraternity.

He then returned to New York to earn a medical degree at the University of Buffalo Medical School. Dr. Waldman served an internship at the United States Public Health Service Hospital in Staten Island, New York, and a radiology residency at Cornell Medical Center in New York City.

Dr. Waldman is a staff radiologist at North Miami General Hospital in North Miami, Florida. He is also an instructor at the North Miami General School of Radiologic Technology and an assistant professor of radiology at Jackson Memorial Medical Center. He is the author of several research papers published in professional radiology journals.

‘ O L D M I S S O U ’

“Old Missou” and “Old Missouri”
Our hearts the school has won,
Fondly cling we to the mem’ry
Of old “Missouri’s Son.”
Gladly thee our hearts we tender
By the dim and flick’ring light,
Every lad a proud defender
Of the Purple and the White.

—Basil Brewer, ’01.
