## ANNOUNCEMENT

An exhibit featuring the works of artists of Northeast Missouri will open September 20 in the Student Union. The exhibit is part of the college observance of the sesquicentennial of Missouri and will feature more than fifty artists. Many, if not all the artists, have come under the influence of art teachers of this college which has for many years promoted art in its various forms. Various media such as oils, water colors, and mixed media will be featured. The exhibit will be opened daily from ten to four and will close on October 4.

## **“OLD MISSOU”**

“Old Missou” and “Old Missouri”

Our hearts the school has won,

Fondly cling we to the mem’ry

Of old “Missouri’s Son.”

Gladly thee our hearts we tender

By the dim and flick’ring light,

Every lad a proud defender

Of the Purple and the White.
