

## Northeast To Host First Round MIAA Postseason Basketball Tournament

Northeast will be the host for one of four first-round quarterfinal games Tuesday night in the 1994 Mid-America Intercollegiate Athletics Association Men's Post-season Basketball Tournament.

The fourth-seeded Bulldogs, 18-8 overall, will play fifth-seeded Missouri Western, 19-7 overall, at 7 p.m. in Pershing Arena. Tuesday's winner will take on first-seeded Washburn University (Kansas), the regular-season champion, or eighth-seeded Emporia State (Kansas) in a semifinal matchup at 7 p.m. Thursday at the site of the highest-seeded team. The tournament title game is scheduled for 7 p.m. Saturday, with the winner automatically qualifying for the NCAA Division II Tournament.

Northeast actually tied Northwest Missouri State for third place in the final MIAA regular-season standings with an 11-5 record. However, the Bearcats

received the third seed in the tournament by virtue of the tie-breaker rule and will be pitted against sixth-seeded Pittsburg State (Kansas) on Tuesday. Second-seeded Central Missouri State will entertain seventh-seeded Southwest Baptist in the other first-round game.

Missouri Western, which finished the conference campaign with a 10-6 mark, was the only MIAA team to upend Washburn.

The 'Dogs defeated MWSC twice during the MIAA campaign, 86-79, at home and 91-89, in St. Joseph. They erased an 18-point deficit in the second victory last Wednesday at MWSC, as senior guard Scott Matthews hit a field goal with two seconds showing on the clock.

Coach Willard Sims' team finished its regular schedule with a 98-91 setback at the hands of Central Missouri State on Saturday in Warrensburg. The 'Dogs battled back from a 20-point

deficit with 11:28 left to play, cutting the margin to two points with 1:27 remaining. But the Mules held on for their second win over NMSU this year.

The 'Dogs, who have made six trips to the postseason tournament, will compete this week for the first time since 1990-91. However, they have not earned a home-court advantage in the first round since the 1981-82 season.

Northeast captured the championship of the first MIAA tournament in 1980-81 after finishing fourth that year in the regular standings.

Tickets for this week's quarterfinal game may be purchased from 2-4 p.m. both Monday and Tuesday or at 6 p.m. Tuesday at the ticket windows in Pershing. Reserved seats are \$5, and general admission (including NMSU faculty and staff) is \$4. Tickets for Northeast students and students of high school age and younger are \$2. □

Join the University in supporting the Bulldogs in MIAA men's basketball championship action!

The Northeast men's basketball team will host a first-round game of the Mid-America Intercollegiate Athletics Association Championship at 7 p.m., March 1. Since this is an MIAA championship tickets are not allowed. Ticket prices are \$5 reserved (east side of gym), and general admission prices of \$4 for adults and \$2 for students and children, with seating on the gym's west side.

You may purchase advance tickets at Pershing from 2 to 4 p.m. both Monday and Tuesday. The ticket window will open at 6 p.m. Tuesday evening. Depending on the outcome of MIAA action Tuesday, the Bulldogs also could host further rounds March 3 and 5. Be on the lookout for more information on those games. □

## Name Hearing Set For Tuesday Night

Individuals who wish to discuss potential new names for Northeast Missouri State University are invited to attend a public hearing at 7 p.m., March 1, in the SUB Alumni Room.

Northeast is considering potential new names as part of a formal process to determine if the current name suits the institution's mission as the statewide liberal arts and sciences university which attracts students from throughout Missouri and the United States.

"The fact that Northeast is considering potential new names does not mean that the University will change its name, but merely that we are seriously evaluating the issue," Templeton said.

During March, Northeast representatives also will conduct public hearings in St. Louis, Kansas City and Jefferson City so that interested persons may learn more about the name evaluation process and suggest potential new names. □

# Brass Quintet To Perform

The ever popular and wonderfully entertaining Saint Louis Brass Quintet will perform in concert, March 2 at 7:30 p.m. in Baldwin Auditorium as part of the University's Lyceum Series. Free tickets for students, faculty and staff are available in the Student Activities Board Office, SUB.

This tuxedo clad group, surprises audiences everywhere with the relaxed, informal atmosphere they create. With extraordinary grace, the ensemble transforms the stuffiness associated with classical chamber music, combining professionalism and showmanship to produce a thoroughly enjoyable musical experience.

Selections for this performance will include

music from the brilliant Baroque era, the Spanish Renaissance and some lighter pieces from the 20th century including "Melodies of Mexico," "Sweet Georgia Brown," "Beautiful Dreamer," and "Camptown Races."

Highlighting any concert by the Saint Louis Brass Quintet are the humorous demonstrations given by the group. The Quintet brings with it many of the ancestors of the brass family instruments from the

animal's horn and the conch shell to the short trumpet found in King Tut's tomb and onward into the present. A straight trombone from the 14th century will also be featured.

Since 1964, the Quintet has been performing throughout the country and continues to thrive as a top-notch ensemble.

Financial assistance for this performance has been provided by the Selmer Company. □

## Dobson, E.C. Grim Add Co-Ed Housing Options

Single-sex living options for men will be dramatically reduced beginning the fall semester.

As a result of changes announced by the Coeducational Review Committee, Dobson and E.C. Grim residence halls will go coeducational in the fall 1994 semester. Grim will be co-ed by suite on all three floors. Dobson will retain a male single-sex option on the first floor but will convert the second, third and fourth floors to co-ed by wing.

The changes will leave Ryle Residential College as the only single-sex female housing option. For men the only single-sex option will be the first floor of Dobson.

The Student Affairs Office reminds students that residence hall renewal for fall 1994 begins in March. Students wishing to live in first floor Dobson can indicate this preference by request.

Additional information and answers to specific questions can be obtained by calling Residential Living at 785-4227. □

## Public Safety to Enforce Towing Policy

Effective March 31, 1994, the Department of Public Safety will begin enforcing their towing policy for illegally parked vehicles in fire lanes, handicap spaces and spaces marked reserved such as Speech and Hearing Clinic Clients.

Vehicles parked in the fire lanes can be a hindrance to emergency vehicles such as fire trucks or ambulances. Valuable time is lost when trying to find the owner of an illegally parked vehicle. The Department of Public Safety has strived to keep fire lanes clear in the event of an emergency by issuing citations to illegally parked

vehicles. This has had limited success.

Although not life threatening, keeping handicapped and reserved spaces open is also important. Anyone with a physical or medical disability and the proper documentation from their doctor is allowed to obtain a permit and park in designated handicapped spaces. It is essential that these spaces remain open for such individuals. Also, reserved spaces are for those people who are visiting the campus for a specific purpose, such as a member of the Board of

Governors or the American Red Cross. These spaces must also remain available

for those in which they are reserved. Signs indicating that a space is reserved and that towing is enforced are placed in front of the parking space.

It is clearly stated in the Campus Rules and Regulations that the Department of Public Safety reserves the right to tow and/or ticket any vehicle that is illegally parked. Any vehicle may be towed without warning and placed into storage at the owner's expense. Any fees for towing and storage are to be paid to the towing service, not the Department of Public Safety. Contact the Department of Public Safety for information concerning towed vehicles. □

# Notables

## Scholarship Information

**Jim Barnes**, professor of comparative literature, was invited by the Municipality of Rome to present a reading of his work at its international exposition of art and literature, *The American West: l'arte della frontiera americana 1830-1920*, held in Rome at the Palazzo delle Esposizioni, near the Forum. Barnes is presently a Senior Fulbright Fellow at the University of Lausanne (Switzerland).

**Brent Buckner**, associate professor of biology, and two senior biology majors, **Tara Phelps** and **Darren Deering**, recently submitted a paper to the *American Biology Teacher*, "Using polymerase chain reaction in an undergraduate laboratory to produce DNA fingerprints."

**Adam Davis**, assistant professor of English, has had a short story, "Small World" accepted for publication by *The Rackham Journal of the Arts and Humanities* (University of Michigan, Ann Arbor).

**Warren Gooch**, assistant professor of music, will be involved in the 1994 conference of the College of Music Society (Great Plains Chapter), April 8-9 at Northwest Missouri State University. He will present a paper titled "You Want Me to Do WHAT?": Active Learning Strategies in Music Theory Pedagogy" and will participate in a "composers forum" panel presentation. His composition *Alone* for tenor and piano will be performed by

**Thomas Hueber**, assistant professor of music, and **Nancy Hueber** during the performance.

**Deb Masten**, coach of the Northeast volleyball team has been appointed to the Governor's Council on Physical Fitness and Health, by Gov. Mel Carnahan. The 28-member council, established in 1986, includes elected officials, state officials and individuals from the private sector who advise and assist the Governor in the fields of health, physical fitness and wellness.

**Emmanuel Nnadozie**, assistant professor of economics, has been asked to be a reviewer for the *Journal of African Economies* published by the Center for the Study of African Economies of the University of Oxford.

**Seymour Patterson**, associate professor of economics, had an article published in the fall 1993 issue of *The American Economist*. The article was titled "Minimizing the Political/Economic Time Lag for Economic Recovery."

**Julie Roche**, a junior French major, received the Yedlicka Scholarship award covering summer school tuition to the Institute for American Universities (Avignon campus) and Pi Delta Phi room, board and travel grant award.

**Laura Tamakoshi**, assistant professor of anthropology, had an article titled "Nationalism and Sexuality in

Papua New Guinea," published in the December 1993 issue of *Pacific Studies*.

**Roy Tanner**, associate professor of Spanish had an article, "Ricardo Palma y la satira del medio juridico: un analisis del Juicio de trigamia" accepted for publication in *Expicacion de textos literarios*.

**Jim Thomas**, professor of English, has had three poems published in *Tucumari Literary Review*: "Brown Deer on White Field," "Trappings of Gentility" and "Early Beets and Late." *Green Hills Literary Lantern* will publish "Evening Walk," a short story. *Rolling Coulter* has accepted his poem "The Frugal Ones" for a future issue.

**Glenn Wehner**, associate professor of agriculture, and students, **Dana Gillig**, junior agriculture/pre-vet animal science major, and **Nicole Meyersick**, senior agriculture science/animal science major, recently attended the American Gelbvieh Association National Convention on Denver, Colo.

**David Cratis Williams**, associate professor of communication, published a chronology of the life of Kenneth Burke in the memorial issue of *The Kenneth Burke Society Newsletter*, December 1993. He was also the principal author of "KB as Dialectician," published in the same issue of the newsletter.
