Superintendent Edward Kelly of the Little Rock, Arkansas, School District received his bachelor's degree from Northeast in 1964 and his master's in secondary school administration in 1968. In 1973, Kelly was awarded his doctorate in secondary school administration by St. Louis University. Between 1964 and 1968, Kelly taught at Centralia High School and Parkway Central Senior High in St. Louis. He was the assistant principal at Parkway Central until 1971, then moved to a vice principal position at Harlem High School in Rockford, Ill., where he became principal in 1974. In 1975, Kelly became superintendent of the Harlem Consolidated School District, a position he maintained until moving to Little Rock.

Three magnet schools have opened in the 19,500-student school district under Kelly's tenure. Williams, Booker Fine Arts and Mann Science schools offer parents and students alternative types of educational programs with special emphasis on areas of interest.

Kelly has achieved a number of accomplishments at his present position, including the establishment of district-wide goals, objectives and a testing program; consistently improved standardized test scores during the last five years; increased graduation requirements; alternative programs for students with behavior or attendance problems; the development of a Lyceum program; early retirement plan for staff; staff recognition program and evaluation; and a wellness program to promote healthy lifestyles among staff.

Kelly is currently a member of the Little Rock St. Peters Parish Council and the Northern Illinois Public Telecommunications Corporation, and serves on the board of directors for Smississippi Lung Association and on the board of counselors for Rockford College.

‘ ‘ O L D M I S S O U ’ ’

“Old Missou” and “Old Missouri”  
Our hearts the school has won  
Fondly cling we to the mem’ry  
Of old “Missouri’s Son.”  
Gladly thee our hearts we tender  
By the dim and flick’ring light,  
Every lad a proud defender  
Of the Purple and the White.
