No admission will be charged.

THE SENIOR TEST will be given twice this summer, once each five-week session. The test will be given at 3:30 p.m. June 27 and July 27 in 103 Administration/Humanities Building. ALL FIRST-TIME FRESHMAN and Upward Bound Bridge students attending summer school may pre-enroll for fall classes at 2 p.m. Thursday in the Activities Room of the Student Union Building. Any freshman or Upward Bound student who has a question about this special enrollment may call the Freshman Counseling Office, ext. 7166.

SUMMER INTRAMURAL PARTICIPANTS should check the bulletin board by the main desk of Ryle Hall. Additional softball and volleyball games have been scheduled. In case of rain, both volleyball and softball games will be cancelled.

The course carries three hours of undergraduate or graduate credit. No previous courses in physics or mathematics are required although they would be helpful. Several art majors have taken the workshop and performed very well in it. A minimum of 18 students is required to hold the workshop.
