E. GENE BARTOW
HEAD BASKETBALL COACH MEMPHIS STATE UNIVERSITY

Gene Bartow, the man who in three years at Memphis State took the Tigers from the bottom of the Missouri Valley Conference to two championships and a second-place finish in the NCAA Tournament, has known nothing but success.

A 42-year old native of Browning, Mo., Bartow has been in the coaching profession for 18 seasons and has been in college basketball for 12 years. In three seasons, he has guided the Tigers to 18-8, 21-7, and 24-6 records, two conference championships, a pair of top ten rankings, and appearance in the NIT and a second place finish nationally in the NCAA Tournament.

This past season, he received the highest award given by his peers when he was chosen Coach-of-the-Year by the National Association of Basketball Coaches. During the past year, he has also won several other awards including the Amateur Athletic Award at the Memphis Jaycees All-Sports Award Banquet and the Mid-South Headliner Award, which is presented to the person in the Mid-South area who has received the most favorable headlines during a one year period. He coached the Puerto Rican National basketball team to a second place finish in the 1971 Pan American games in Cali, Columbia and guided the same team to a fifth place finish (among 16 teams) in the 1972 Olympics in Munich, Germany. More recently he took a group of United States College All Stars on an eight game tour of the People's Republic of China and completed the tour unbeaten.

In his 18 years of coaching, he has had only one losing season and has an overall record (including high school) of 347-150. His high school record of 145-39, compiled while coaching at Shelbina and St. Charles High Schools in Missouri, speaks for itself. His college record now stands at 203-111. The majority of those wins came in his six years at Valparaiso (Ind.) University. Those years resulted in a 93-69 record, quite a few upset wins over big-name basketball powers and a 1967 team which went all the way to the NCAA College Division Tournament.

He is a 1952 graduate of Northeast Missouri State University, holds a masters degree from Washington (Mo.) University and has done additional graduate work at the University of Southern California.

“OLD MISSOU”

“Old Missou” and “Old Missouri”
Our hearts the school has won,
Fondly cling we to the mem’ry
Of “old Missouri’s Son.”
Gladly thee our hearts we tender
By the dim and flick’ring light,
Every lad a proud defender
Of the Purple and the White.
