## LINDA M. MILLER

Linda M. Miller returns to Kirksville, her hometown, and NMSU, her alma mater, as an honored commencement speaker just twelve years after graduating with a mathematics degree. In that time she has distinguished herself in a career with the Ford Motor Company—a career that has opened doors for other women in her field.

Ms. Miller began her work at Ford's Engine Plant in Dearborn, Michigan, in 1973 as a Quality Control Analyst. In just nine years she has become the first woman Production Superintendent.

As she worked her way up the career ladder, she also became the first woman to earn the titles of Quality Control Superintendent and Supplier Quality Assurance Representative. In addition, she has held the positions of Methods and Analysis Section Supervisor, Quality Control Analyst, Quality Standards Technician and Quality Control Engineer.

Ms. Miller has been featured on a Ford network television commercial and a videotape for dealer presentation on the Escort-Lynx car lines.

Prior to her years with Ford, Ms. Miller taught junior high mathematics in the Shawnee Mission, Kansas, school district.

She graduated from NMSU with a B.S. degree in mathematics in 1970. She earned a master's degree in mathematics from the University of Kansas in 1972 and an M.B.A. in management from the University of Detroit in 1981.

An honors student at NMSU, Ms. Miller was active in several organizations and received many academic awards. She was treasurer of Kappa Mu Epsilon, honorary mathematics society, and a member of Alpha Phi Sigma, criminal justice society, Cardinal Key service sorority, Student Mentors and the Student Review Board Executive Council. She was selected the Outstanding Junior Math Major and was the recipient of the Regents and NMSTA scholarships, the 1970 Woodrow Wilson Fellowship and a National Science Foundation Research Grant at the University of Missouri.

She is currently a member of the Society of Manufacturing Engineers and the Society of Automotive Engineers.

Ms. Miller was reared in Kirksville where she attended Mary Immaculate grade school and the Kirksville Junior and Senior High Schools. Her parents, Louis and Rita Miller, still reside in Kirksville.

“ O L D M I S S O U ”

“Old Missou” and “Old Missouri”  
Our hearts the school has won,  
Fondly cling we to the mem’ry  
Of old “Missouri’s Son.”  
Gladly thee our hearts we tender  
By the dim and flick’ring light,  
Every lad a proud defender  
Of the Purple and the White.
