NORTHEAST MISSOURI STATE COLLEGE ALUMNI ASSOCIATION

Greetings from the President

It is indeed a privilege and a very high honor to be elected President of our Northeast Missouri State College Alumni Association. For more than a century our College has been opening doors of opportunity for us, its graduates and former students. For this I am most grateful.

Our Alumni Association now has nearly 2800 members (including this years graduates who received complimentary memberships). Among the 2800 are 233 life members. This is a substantial increase over the big Centennial year (1967) when membership reached 1886, including 206 life members. We are investigating projects, and intend to expand services to Association members.

College growth in recent years has been amazing. Campus, buildings, equipment, library and faculty have grown to accommodate 5000 to 6000 students. In earlier days there were only 500 to 600 enrolled.

We, the officers, the executive committee and the Alumni board, join with Director of Alumni Activities R. Russell Harrison in soliciting your support. You can help by soliciting more regular and life members, by active attendance at our annual meeting and your area meetings, and above all by saying a good word for our College at every opportunity.

O. Glen Hocker Heads Alumni Association; James R. Nevins Elected Vice-President

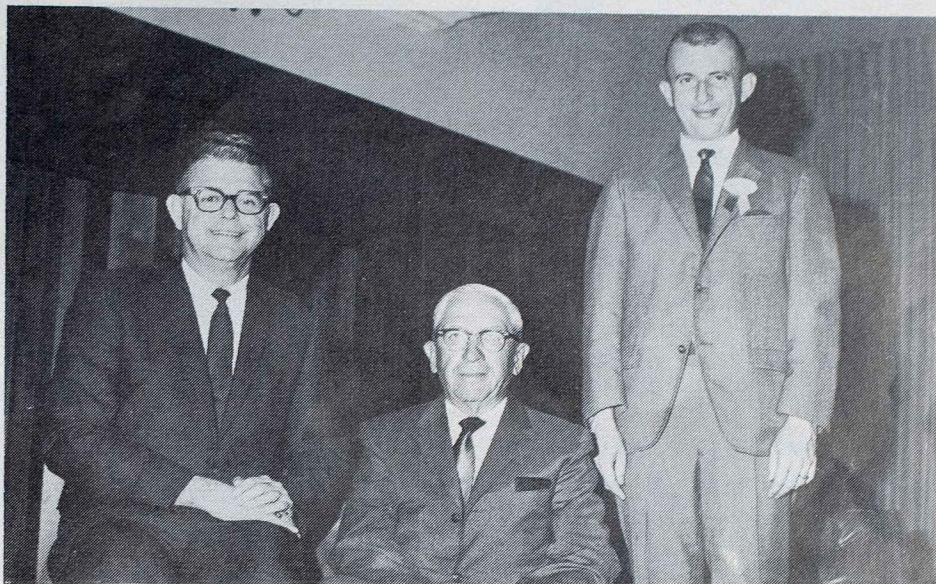

O. Glen Hocker, 1920, was elected president of the Northeast Missouri State College Alumni Association at the annual business meeting of the association held as a part of the Homecoming activities. James R. Nevins, Superintendent of the Shelby R-IV Schools, was elected vice-president and R. Russell Harrison, Director of Alumni Activities at the College, was elected executive secretary-treasurer.

President Hocker, of Mexico, is a graduate of the Kirksville High School and received the bachelors degree from the State College in 1921.

The Missouri businessman was a teacher and school administrator prior to becoming president of the Dairy Queen Company which developed 150 dairy queen stores in five states from 1946 through 1960. He served as director of the Dairy Queen National Trade Association for a number of years and was its president in 1951. He was the first president of the Dairy Queen National Development Company in 1955 and 1956. Other business interests include the H-P-L Development Company and Hocker and Hocker, a real estate investment firm.

The Association President is an active Mason, a member of the District Boy Scout Board, a life member of the Alumni Association, a life member of the Missouri Historical Society and a member of the Board of Directors of the First National Bank Building Corporation in Mexico. He has been active in the promotion of conservation of water resources, both Federal and State levels. He served in the United States Navy during World War I. He is married and has one son, Thomas H. Hocker, who is also in the real estate and investment business. Travel has been a life long hobby of the Hockers.

Vice-President Nevins is a native of Browning. He was educated in the Browning public schools and received the bachelor of science in education degree from the College in 1957. He completed the masters degree in 1960 from NMSC and has done post-graduate work at the University of Missouri. izations including the Missouri State Teachers Association, the American Association of School Administrators and the Missouri Association of School Administrators. A Word of Thanks from the Alumni Office

Your response to our recent mailing of lost alumni lists has been overwhelming, and several hundred new addresses are now in our files. Many alumni notes concerning former "lost" alumni, as well as those of you who were so kind as to write us, appear in this issue and will appear in future issues. Again, our sincere appreciation for your usual fine response.

—R. RUSSELL HARRISON.

Grid, Cross-Country Teams Show Strength

Bulldog athletic teams this fall climaxed their seasons on a high note, with the football squad capturing its last two games and the cross-country athletes claiming a conference title.

Coach Marv Braden's gridiron crew compiled a 5-4 record, the first campaign above .500 since 1965. After dropping three straight contests midway through the season, they edged Northwest Missouri of Maryville, 9-7, to regain the "Old Hickory Stick," and rolled over Missouri Southern, 48-8, in the finale. Braden's athletes finished in a tie for third in the MIAA.

Selected to the all-league team were defensive tackle John Suell of St. Louis, defensive middle guard Frank Wagner of Chicago, linebacker Jerry Lybarger of Granite City, Illinois, safety Jerry Meyer of Cincinnati, and center John Bringer of Palmyra. Alternate-team choices were tri-captain and split end Steve Garrett of Monroe City, offensive tackle Ron Lillquist of Chicago, and slotback Charles Blakley of St. Joseph. Wagner was also named to the honorable mention list for the Associated Press Small College All-American team.

The cross-country squad won the first conference championship for the school since 1964, benefiting from a rugged dual slate. Coach Kenneth Gardner's thinclads were only victorious twice in six dual outings this autumn, but they lost to Iowa, Kansas State of Emporia, Western Illinois and Central Missouri. The Bulldogs also placed 19th in the NCAA College Division Meet on November 16 at Wheaton, Illinois.

Top finishers in the MIAA championships were Pat Sullivan of St. Louis, second; Keith Allen of Eldon, Iowa fourth; and Tom Logan of Sedalia, seventh.

The bride is teaching art in Clark County R-I school district and the groom is attending NMSC. They live in Kahoka, Missouri.
